

**REMARKS**

By the present amendment, claims 5-7 have been canceled without prejudice, and claim 29 has been amended. Accordingly, claims 2-4, 10-24, 29, and 32-39 are pending in the application and claims 17-24 and 32-39 are withdrawn from consideration. Applicants have amended claim 29 to more particularly claim the intradermal delivery of insulin. Applicants have amended the claims to expedite prosecution and allowance of the application. The amended claims are fully supported by the instant application, and no new matter has been added. Support for the intradermal delivery of insulin can be found, for example, at page 4, lines 1-2, and claim 7, as originally filed.

**CONCLUSION**

Applicants respectfully request that the Examiner enter the amendments and consider the remarks made herein. Withdrawal of all rejections, and an allowance is earnestly sought. The Examiner is invited to call the undersigned attorney if a telephone call could help resolve any remaining items.

Respectfully submitted,

Date: December 22, 2006
